Oh M’Gosh Auction

Wednesday, January 9, 2008

(With guest Auctioneer – Stephen Ranger, President of Ritchie’s)

At this time of “giving”, remember that getting rid of that unwanted Gift can be exciting too. All the money raised goes to our Club Service Account and is used to fund Community Initiatives.

But - - - also remember that someone often spends a fair amount of \$\$ to buy something you didn’t want. So to be more fair, if you’re going to give your junk, maybe add in a Gift Certificate (Movies, Gas, Tim Horton’s etc) to make the value at least \$25.00. Please indicate on the bottom of your Gift the approximate value.
